3. **THE CITY OF VERONA**

Known as “The city of Romeo and Juliet”, Verona is among the top 10 most visited Italian cities.

Located at only 30km from Lake Garda, Mount Baldo range and Lessinia Natural Park, Verona is the perfect location for an active and cultural holiday.

Verona is a splendid city of art, surrounded by the traces of its ancient history, splendid in its mythical dimension bestowed upon it by the Shakespearean tragedy of Romeo and Juliet.

Roman ruins, medieval vestiges, Venetian and Austrian traces can be seen all across the city, as well as antique palaces, squares, bridges and wonderful churches.

Elegant cafés and ancient osterie (typical inns of the Veneto territory), craftsman shops and high couture shops enliven city life all year long. Verona is a man-sized city which fascinates visitors with its elegance and its welcoming atmosphere, in which ancient and modern times meet.

The city's past centuries of history and its past splendour are witnessed by its architectural and artistic masterpieces; its culture and art are well renowned on a national and international level. For this reason, in the year 2000 Verona was recognized as a UNESCO World Heritage Site.

Each federation which registers riders must appoint a Chef d'Equipe (national team manager) to represent the interests of all of its riders. Each Chef d'Equipe must confirm the presence of each rider as per the preregistration riders list, on the scheduled day and times of registration.

Before each event a national federation must register their Chef d'Equipe and assistants in the UEC online registration system, the registration will be checked at the event.

National federations must register official trainer/coaches in the online registration system. This way we can acknowledge them as trainers and give them a pass at European events.

Such accreditation may be revoked for any breach of the UCI Regulations or noncompliance with the instructions of the organisation or the Commissaires' panel.

In addition to the Chef d'Equipe, a number of team assistants shall be allowed. This number of team assistants shall correspond to the limits defined below.

Each Chef d'Equipe will also receive extra Crew passes which they can distribute to: mechanic, physics, national coach or any other person of their delegation, according to the table below.
